Conservation Commission By-Laws

Article I-Name

The name of this organization shall be The Farmington Conservation Commission, hereinafter called "The Commission"

Article II-Authority

The Commission derives its authority from the State Law (RSA 36-A) and from Town of Farmington Ordinances. Nothing in these By-Laws are intended to conflict with either of these instruments.

Article III-Principle Place of Business

The principal place of the Commission shall be at Farmington in the County of Strafford and State of New Hampshire, hereinafter called "Town". The mailing address of the Commission shall be Town Hall, Farmington.

Article IV-Purpose

The purpose of the Commission is to protect and promote the Town's natural resource and to protect the watershed resources of the Town.

Article V-Duties and Functions Relative to Purpose

The Commission shall have the following duties and perform the following functions:

1. Prepare a program of conservation and open space protection for the Town of Farmington and in undertaking this program, conduct research into the local natural resources, open spaces, and areas of aesthetic value along with evaluating the uses thereof. Seek to determine areas within the Town of natural value, ecological importance, historic significance or aesthetic value. Seek to coordinate the activities of other bodies conducting studies, research and evaluation for similar purposes.
2. Keep an index of open space, public lands, swamps and wetlands within the Town.
3. Prepare, adopt, and from time to time review and amend, a conservation and open space plan, and submit said plan to the Planning Board for consideration as part of the Master Plan for the Town.
4. In the preparation of a conservation and open space plan, obtain information pertinent to the proper utilization of open areas in the Town, including public lands managed by the Town and by the State.

5. Protect open space and sensitive areas through the acquisition of interests in land and conservation easements by purchase or gift consistent with RSA 36-A: 4. In addition, the Commission may assist landowners with the costs of donating conservation easements.
6. Receive and acquire real and personal property, or interests therein, including money, subject to the provisions of Article VI, below.
7. Base conservation and open space plans as well as related programs, inasmuch as possible, on the concept of multiple, conservative use of natural resources and open space, and in accordance with terms set forth in the Master Plan of the Town.
8. Advise municipal agencies, the Selectmen, the Planning Board, private interests and the public as of the manner in which the objectives of the Commission may be accomplished. Make recommendations for the better promotion or utilization of natural resources and open areas of the Town.
9. Keep accurate records of meetings and actions, and file annual reports to be included in the annual Town report.
10. Subject to the conditions set forth in Article XI, hire such employees and appoint subcommittee or designate a member of the Commission to act as an agent to execute documents or take other such action which has already been authorized by the Commission as the Commission may from time to time require.
11. Inform itself of the ways and means by which its plans and programs may be achieved.

Article VI-Real Property Interests

A. Approval and Holding

This acquisition of any interests in real property, whether by gift or purchase, shall be subject to the approval of the Board of Selectmen and, upon approval, shall be received and held by the Commission in the name of the Town

B. Management and Control

The Commission shall manage and control all such interests in real property in accordance with the purpose of the Commission, subject to the review and approval of the Board of Selectmen.

Article VII-Publications and Advertisements

The Commission may advertise, prepare, print and distribute books, maps, charts, plans and pamphlets, which in its judgment it deems necessary for its work and for which approved funds are available.

Article VIII-Finances

Article XII-Procedures

A. Requests from Other Town Boards for Advice or Review

The Commission shall promptly investigate requests from other Town Boards. Conversely, the Commission shall advise other Town Boards if the Commission has an interest in any matter coming before the other Board. When a matter of interest to the Commission is to be investigated, the Chairperson shall appoint an ad hoc committee to review the matter, make a site visit, and draw conclusions on the conservation and environmental impacts. The conclusion and recommendations shall be reported in writing to the other board. The report shall be provided in a timely manner to ensure that the proceedings of the other board are not delayed.

B. Expedited Minimum Impact Applications to the NH Wetlands Board

1. Receive application from Town Clerk

2. Check to see if the landowner/contractor has filed the correct application for the work to be done, and that the application is correctly and completely filled out. Ensure that the copies match the original. If errors or commissions are not so simple that they can be resolved by a phone call, the application shall be returned to the applicant.
3. Review the application to make sure the work as outlined is in compliance with the regulations and meets all specifications.
4. Make sure a site visit to see the local conditions, assess how they affect the proposed works, and make suggestions as necessary. Arrangements should be made with the landowner before making the site visit unless it is known that the landowner is not in residence.
5. If there are any issues or disputes with the landowner/contractor that cannot be resolved by the Committees, it shall refer the matter to the full Commission. The Committee shall resist any pressure to sign a faulty application.
6. If all is satisfactory, sign all copies and return to the Town Clerk.
7. Every effort should be made to review the application in a timely manner since any delay at the Town level is added to the delay at a State level.

C. Procedures for Wetlands Dredge and Fill Permit

1. Receive the application from Town Clerk
2. The Chairperson reviews the application with the Commission at its next regular meeting.
3. If further investigation is required, the Chairperson shall appoint an ad hoc committee to review the matter, make a site visit, and draw conclusions on the conservation and environmental impacts.
4. If the Committee wishes to comment on the application, it shall draft a report and review it with the full Commission. The Commission shall vote on the final draft of the report, and if it approves, forward it to the Wetlands Bureau.
5. During the above procedure, the Chairperson and the Committee must be mindful of the requirements of New Hampshire RSA 482-A: 11 III. If the Committee determines that it might want to comment and needs more time for the investigation, it must notify the Wetlands Bureau that it needs more time. That notice must be in their office within the fourteen (14) days from the date that the application was filed with the Town Clerk. The Wetland Bureau must receive the Committee's report within forty (40) days from the date the application was filed with the Town Clerk. Extension of the deadline may be requested.

D. Procedures for Review of Intent-To Cut Applications

1. Check the application for completeness and note the date received by the Board of Selectmen. The report of the investigation must be received by them within ten days.
2. Locate the lot on the tax maps and a topo map to determine if it is in the Waterfront Protection Overlay Zone, and/or if wetlands are involved.
3. Assess area of proposed cut for potential damage to the environment and review volume of timber to be harvested.
4. Contact owner, forester or logger to get any questions answered.
5. Depending on items 2 and 3 above, drive by or walk by the lot to determine any potential problems.
6. Notify the Board of Selectmen that the investigation is complete and inform them if there are any concerns.

E. Procedure for Review of Earth Excavation Permit Applications

1. Receive copy of the application from the landowner (in accordance with RSA 155 E-3 as amended.)
2. Ascertain the date and time of the RSA 155-E public hearing from the Chairperson of the Planning Board.
3. Review application for effect on the water table and any potential damage to the environment that would be a byproduct of the excavation. Assess the reclamation plan for short term and long term effects on the environment. Review fuel and chemical handling and storage procedures for potential problems.
4. Forward comments to the Chairperson of the Planning Board before the public hearing.

Article XIV- By-laws and Amendments

A. Adoption

Upon adoption, the Chairperson shall file a copy of these By-Laws with the Town Clerk and provide a copy to the Board of Selectmen.

B. Amendment

These By-Laws may be amended by a majority vote of the regular members of the Commission at a regular meeting. Amendments shall be proposed at least one regular meeting prior to the vote and the final draft of the amendments shall be in the hands of members at least two weeks prior to the vote. After approval of any amendments, the Chairperson shall file a copy of the amended By-Laws with the Town Clerk and provide a copy to the Board of Selectmen.

Record of Adoption of the By-Laws

At a regular meeting of the Conservation Commission, these Amended By-Laws were adopted.
